About Augustus Minerals (ASX:AUG)

Augustus Minerals Limited is an ASX Listed multi mineral explorer committed to exploring its two prospective projects with a focus on gold and critical minerals in Western Australia and Papua New Guinea.

- **Music Well Project:** Augustus has 100% ownership of >1,242 km² of tenements located 25km North of Leonora, Western Australia with an array of high-quality drill targets which is highly prospective for gold and gold copper VMS .
- **Ti-Tree project:** Augustus has 100% ownership of ~1,300km² of tenements located in the Gascoyne Region of Western Australia with an array of high-quality drill targets which is highly prospective for copper, gold and PGE.
- **Mt Kare Licence Application** (Second in Line) in Papua New Guinea. Augustus intends to actively pursue the Application and grant of an exploration license at Mt Kare. This may include objecting to other license applications or negotiating with other applicants with a view to consolidating the various applications to expedite the grant process.
- **Vanapa River Application** in Papua New Guinea. ELA2955 in the Kira Koiari District, Central Province, PNG. The application covers approximately 1,900 km² within the highly prospective New Guinea Mobile Belt.

The Company is led by directors and senior executives with significant experience in exploring, finding, developing and operating both open pit and underground mines.
