¹ Assuming Astral acquires 100% of Maximus shares pursuant to the Offer.

² Value based on 428,787,691 Maximus shares on issue (100% basis), an implied \$0.073 offer price and excludes options and performance rights currently on issue.

The Offer values Maximus at approximately \$31 million.

The Implied Offer Price represents a compelling premium to the undisturbed Maximus share trading value prior to 30 December 2024, when it was announced that Astral had acquired a 19.99% stake in Maximus and that the companies were in discussions regarding a potential corporate transaction (**Initial Announcement Date**).

The Implied Offer Price represents a:

- 61% premium to Maximus' last undisturbed closing share price of \$0.045 on 24 December 2024;
- 67% premium to Maximus' 30-day volume weighted average share price of \$0.043 up to and including 24 December 2024;

- 175% premium to Maximus' 12-month closing share price low of \$0.026 (up to and including 24 December 2024).

DETAILS OF THE OFFER

Under the BID, Astral and Maximus have given undertakings to each other to facilitate the Offer.

The Offer is subject to limited conditions including:

- A 50.1% minimum acceptance condition
- No Material Adverse Change in relation to Maximus
- No Prescribed Occurrence in relation to Maximus
- No Regulated Event in relation to Maximus
- No Breach of Maximus Warranty
- No regulatory actions

⁵ Astral VWAP calculated using the 5 trading days up to and including 31 January 2025 and equals \$0.145 per Astral Share.

The BID also contains customary deal protection mechanisms including “no shop, no talk” restrictions, a notification and matching rights regime for any superior proposal and a market-standard break fee payable in certain circumstances.

Astral’s Bidder’s Statement is expected to be despatched to Maximus shareholders this week, with the Target’s Statement to follow in short order. These documents will set out important information, including how to accept the Offer, information about Astral and the key reasons as to why Maximus shareholders should accept the Offer.

MAXIMUS BOARD RECOMMENDATION

The Directors of Maximus unanimously recommend that its shareholders accept the Offer, in the absence of a Superior Proposal.

Additionally, Maximus Directors who own or control Maximus shares have confirmed that they intend to accept or procure the acceptances of the Offer in respect of the Maximus shares that they own or control, in the absence of a Superior Proposal.

Collectively, the Maximus Directors own or control 5.1 million Maximus shares, representing approximately 1.20% of the Maximus shares on issue (excluding Maximus options and performance rights) as at the date of this announcement.

KEY TRANSACTION BENEFITS

The merger will provide a number of key benefits to Maximus shareholders, including:

- ✓ **Compelling Premium** – Implied Offer Price represents premiums in the order of 61% to Maximus’ recent undisturbed share trading prices and 48% above the highest undisturbed Maximus closing share price for the 12 months ended 24 December 2024.
- ✓ **Attractive Liquidity** – Approximately \$32 million of Astral shares traded in the three months prior to the Initial Announcement Date, significantly more than the approximate \$2.3 million of Maximus shares traded over the same period.
- ✓ **Exposure to Astral’s Portfolio and its Flagship Mandilla Project** – Exposure to Astral’s advanced portfolio including its flagship Mandilla Project (1.27 million ounce gold Mineral Resource), which is currently being progressed through feasibility and is one of the largest undeveloped single-pit gold deposits in Western Australia.
- ✓ **Development Flexibility** – The combined portfolio consolidates Mandilla with Maximus’ established adjacent deposits, mining leases and tenure footprint allowing for more flexible future development of existing gold resources as well as a clear development pathway for any potential future ore feed from regional exploration targets.
- ✓ **Financial Strength and No Near-Term Capital Raising Requirements** – Strong balance sheet with Astral having a 31 December 2024 cash position of approximately \$25.2 million and no debt. Astral has a strong institutional investor base, which underpinned Astral’s successful \$25 million equity capital raise in September 2024.

- ✓ **Market Relevance and Re-Rating Potential** – The enlarged Astral is expected to have a market capitalisation of around \$200 million, existing broker coverage and an approximately 1.8 million ounce combined gold Mineral Resource with exploration upside.

Further detail on the reasons to accept the Offer will be set out in Astral’s Bidder’s Statement which is expected to be despatched this week.

MANAGEMENT COMMENTARY

Managing Director of Astral, Marc Ducler, commented:

“The combination with Maximus provides a compelling opportunity to generate value for both sets of shareholders by creating a company with increased size, scale and market relevance, all attributes which enhance re-rating potential. The merged entity will have combined (and proximal) Mineral Resources of approximately 1.8 million ounces of gold, regional gold targets underpinning significant exploration potential and the financial capacity to support accelerated progression.”

“We look forward to welcoming Maximus shareholders to Astral’s register and for them to benefit from further progress at both Mandilla and the broader combined asset portfolio in 2025 and beyond.”

Managing Director of Maximus, Tim Wither, commented:

“We are pleased that, in addition to realising an attractive premium, the transaction provides Maximus shareholders with the opportunity to become shareholders of a company with significantly increased scale, balance sheet and team capable of leveraging the potential of the Mandilla project with the benefit Maximus’ neighbouring resources and exciting regional exploration targets.”

“By accepting the Offer, Maximus shareholders will have a material interest in the upside potential associated with the combined portfolio. Maximus’ Board believes that this transaction is in the best interests of Maximus to unlock the value from the Company’s Spargoville tenements and unanimously recommends it to shareholders, in the absence of a superior proposal.”

MAXIMUS OPTIONS

It is Astral’s intention to acquire Maximus options on issue via a private treaty where such options will be valued using traditional option valuation methodologies.

TIMETABLES

Detailed information relating to the Offer and timetable will be set out in the Bidder’s Statement and Target’s Statement. The Bidder’s Statement is expected to be despatched to Maximus shareholders this week, with the Target’s Statement to follow in short order.

to implement the Transaction.

- (b) The Bidder and the Target must each consult with the other Party in advance in relation to all applications and other communications (whether written or oral, and whether direct or via a Representative) with any Authority relating to the Transaction and keep the other Party fully informed of progress in relation to the Transaction by:
- (i) providing the other Party with drafts of any written communications to be sent to an Authority and make any amendments as the other Party reasonable requests; and
 - (ii) providing copies of any written communications sent to or received from an Authority to the other Party promptly upon despatch or receipt (as the case may be),

in each case to the extent it is reasonable to do so.

3.9 Access to people and information

- (a) Between the Execution Date and the earlier of the end of the Offer Period and the date this Deed is terminated, each party must, to the extent reasonably required to implement the Takeover Bid:
- (i) as soon as reasonably practicable provide the other party and its Representatives with any documents, records and other information (subject to applicable privacy laws) reasonably requested by them; and
 - (ii) provide the other party and its Representatives with reasonable access within normal business hours to the other party's Representatives (provided that such access does not impose an undue burden) which the party reasonably requires for the purposes of:
 - (A) implementing the Transaction;
 - (B) preparing for carrying on the business of the Target and the Bidder following implementation of the Transaction; and
 - (C) any other purpose which is agreed in writing between the Parties.
- (b) The obligations in clause 3.9(a) do not apply to the extent that the access of information is connected with the Target Board or the Bidder Board's deliberations in relation to the transactions contemplated by this Deed.
- (c) All information provided under this Deed is subject to the terms of the Confidentiality Deed. For the avoidance of doubt, nothing in this Deed or the Confidentiality Deed restricts any party from including any information in the Bidder's Statement or Target's Statement for the purpose of, and only to the extent reasonably necessary for, complying with the Corporations Act, the Listing Rules or any other applicable law provided always that each, to the extent reasonably practicable, consults in good faith with the other party as to the form and content of any such disclosures before that information is disclosed in that Bidder's Statement or Target's Statement (as the case may be).

3.10 Target Register

The Target will provide all necessary information and details (including in an electronic form nominated by the Bidder, acting reasonably) about the Register which the Bidder reasonably requires in connection with the Takeover Bid, including providing requested information to an agent of the Bidder for foreign nominee and unmarketable parcel sale purposes (if required).

3.11 Target Information in the Bidder's Statement

The Target will take responsibility for all information in respect of the Target and any member of the Target Group included in the Bidder's Statement and any supplementary Bidder's

3.12 Bidder Information in the Target's Statement

The Bidder will take responsibility for all information in respect of the Bidder and any member of the Bidder Group included in the Target's Statement and any supplementary Target's Statement and the Bidder acknowledges that the Target's Statement will include a statement to that effect.

3.13 No Independent Expert

- (a) The Parties agree that an independent expert's report for the Target's Statement is not required by section 640 of the Corporations Act.
- (b) The Parties acknowledge and agree that as at the date of this Deed the Target does not intend to commission the preparation of an independent expert's report for the Target's Statement.

 - (iii) the Target Board otherwise determines that the preparation of an independent expert's report is:
 - (A) in the best interest of shareholders; or
 - (B) required in order for the Target Board to fulfil its statutory or fiduciary duties.
- (d) The Target Board will consult with the Bidder and take into account the views of the Bidder and its advisers before deciding to commission the preparation of an independent expert's report.
- (e) For the avoidance of doubt, nothing in this clause 3.13 requires the Target Board to take any action, or not take any action (as the case may be), which would result in a breach of fiduciary duty.

3.14 Target Board appointments

- (a) If the Bidder acquires a Relevant Interest in 50.1% or more of the Target Shares and the Offer is declared or becomes Unconditional, on request from the Bidder, the Bidder and the Target agree:
 - (i) that the Target Board will have 3 Target Directors; and
 - (ii) to procure the appointment of persons nominated by the Bidder in writing to be directors of the Target (subject to each proposed appointee having provided a consent to act as a director) and resignations from Target Directors, such that a majority of the directors of the Target are directors nominated by the Bidder.
- (b) If the Bidder acquires a Relevant Interest in more than 50.1% but less than 90% of the Target Shares, for so long as the Bidder has a Relevant Interest in more than 50.1% but less than 90% of the Target Shares on issue, the Parties agree that the Target Board should include at least one independent director.
- (c) On and from the date that the Bidder acquires a Relevant Interest in 90% or more of all Target Shares and the Offer is declared or becomes unconditional, the Target must procure that each member of the Target Board and the board of each Subsidiary of

the Target, other than those appointed in accordance with clause 3.14(a), resigns as a director of the Target or the relevant Subsidiary of the Target such that all directors of the Target Group are directors nominated by the Bidder.

4 Exclusivity

4.2 No shop

During the Exclusivity Period, the Target must not, and must ensure that its Relevant Persons do not, directly or indirectly:

- (b) communicate any intention to do anything referred to in clause 4.2(a).

- (c) communicate to any person an intention to do anything referred to in clauses 4.3(a) and 4.3(b),

even if that Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by the Target or any of its Relevant Persons or the Third Party has publicly announced the Competing Proposal.

4.4 No due diligence

Subject to clause 4.6, during the Exclusivity Period, the Target must not, and must ensure that its Relevant Persons do not, directly or indirectly:

- (a) solicit, invite or encourage any Third Party to undertake due diligence investigations on the Target, its Relevant Persons and the assets and/or operations of the Target and its Related Bodies Corporate; or
- (b) provide to any Third Party or permit any such person to receive any non-public information in relation to the Target, its Relevant Persons or the assets and/or operations of the Target and its Related Bodies Corporates or make available to any Third Party, or permit any Third Party to have access to any officers or employees of the Target and its Related Bodies Corporates,

in each case in connection with, or which would reasonably be expected to encourage or lead to the formulation, development, finalisation, receipt or announcement of any actual, proposed or potential Competing Proposal (including, without limitation, providing such information for the purposes of the conduct of due diligence in respect of the Target or any of its Relevant Persons or the assets and/or operations of the Target and its Related Bodies Corporate) whether by that Third Party or any other person.

4.5 Notification of a Competing Proposal

- (a) During the Exclusivity Period, the Target must notify the Bidder within one Business Day if:
 - (i) the Target or any of its Relevant Persons is approached by any Third Party requesting or proposing that the Target or any of its Relevant Persons take any action of a kind that would breach any of the Target's obligations under clauses 4.2 to 4.4 (inclusive); or
 - (ii) the Target or any of its Relevant Persons proposes to take any action of a kind that would breach any of the Target's obligations under clauses 4.2 to 4.4 (inclusive).
- (b) During the Exclusivity Period, the Target must notify the Bidder within one Business Day of it receiving a Competing Proposal, in which case the Target must also notify the Bidder in writing of the:
 - (i) name and identity of the Third Party who has made the Competing Proposal; and
 - (ii) all material terms of the Competing Proposal.

4.6 Exception

Clauses 4.3 and 4.4 do not prohibit an action or inaction by the Target, or any of its Relevant Persons, in relation to an actual, proposed or potential Competing Proposal if the Target Board, acting in good faith, has determined:

- (a) after consultation with its financial advisers and external legal advisers, that the Competing Proposal would lead to, or may reasonably be expected to become or lead to, a Superior Proposal; and
- (b) after receiving written advice from its external legal advisers, that compliance with clauses 4.3 or 4.4 would, or may reasonable be likely to, constitute a breach of any of the fiduciary or statutory duties of the Target Board;

provided that:

- (c) the actual, proposed or potential Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of clause 4.2; and
- (d) any information relating to the Target or its business or operations provided to any person in reliance of this clause 4.6 that has not already been provided or made available to the Bidder is also provided to the Bidder at the same time.

4.7 Opportunity to match

Without limiting clauses 4.2 to 4.4 (inclusive), during the Exclusivity Period:

- (a) the Target must not, and must procure that the Target and its Related Bodies Corporate do not, enter into any legally binding agreement to implement or give effect to a Competing Proposal; and

- (b) the Target must procure that none of the members of the Target Board publicly recommend a Competing Proposal or make any public statement that they may do so in the future,

unless each of the following conditions have been satisfied:

- (c) the actual, proposed or potential Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of clause 4.2;
- (d) the Target must have complied with its notification obligations under clause 4.5; and

4.8 Matching or superior Counter Proposal

- (a) If, in accordance with clause 4.7, the Bidder provides the Target with a Counter Proposal, the Target must procure that the Target Board:
- (i) considers the Counter Proposal and determines whether, acting reasonably and in good faith, the Counter Proposal would provide an equivalent or superior outcome to the Target Shareholders as a whole compared to the Competing Proposal; and
- (ii) promptly, and in any event within 2 Business Days of receiving the Counter Proposal, notify the Bidder of its determination in writing, stating reasons for that determination.
- (b) If the determination referred to in clause 4.8(a) is that the Counter Proposal would provide an equivalent or superior outcome to the Target Shareholders as a whole compared to the Competing Proposal, then for a period of 5 Business Days after the Target delivers to the Bidder the notice in clause 4.8(a)(ii), the Target and the Bidder must use their best endeavours to agree the transaction documentation required to implement the Counter Proposal as soon as reasonably practicable.
- (c) If the determination referred to in clause 4.8(a) is that the Counter Proposal would not provide an equivalent or superior outcome to the Target Shareholders as a whole compared to the Competing Proposal, then the Bidder may take steps to amend the Counter Proposal to address the reasons given within a further period of 3 Business days. If the Bidder does so to the Target's satisfaction, then the process in clause 4.8(b) applies to that amended Counter Proposal.
- (d) For the avoidance of doubt, in the event that the Bidder has not made a Counter Proposal by the expiry of the 5 Business Days referred to in clause 4.7:
- (i) a Target Director may publicly change or withdraw his or her statement that they consider the Offer to be in the best interests of Target Shareholders and / or his or her recommendation that Target Shareholders accept the Offer; and
- (ii) the Target may enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which a Third Party proposes to undertake or give effect to a Competing Proposal.
- (e) For the purposes of this clause 4.8, each successive material modification of any Competing Proposal will constitute a new Competing Proposal.

4.9 Usual provision of information

Subject to the other provision of this Deed, nothing in this clause 4 prevents the Target from:

- (a) providing any information to its Relevant Persons;

- (b) providing information to any Authority;
- (c) providing any information required to be provided by any applicable law, including to satisfy its continuous disclosure obligations under the Listing Rules; or
- (d) making presentations to, or responding to enquiries from, brokers, portfolio investors, analysts and other third parties, in the ordinary course of business.

5 Bidder Reimbursement Fee

5.1 Bidder Reimbursement Fee

- (a) The Bidder represents and warrants to the Target that it would not have entered into this Deed without the benefit of this clause 5.1 and it would not have entered into and continued the negotiations unless the Bidder had a reasonable expectation that the Target would agree to enter into a clause of this kind.
- (b) The fee payable under clause 5.1(e) has been calculated to reimburse the Bidder for the following:
 - (i) external advisory costs;
 - (ii) out of pocket expenses; and
 - (iii) reasonable opportunity costs incurred by the Bidder in pursuing the Transaction or in not pursuing other alternative acquisitions or strategic initiatives,

in relation to the Transaction and the Bidder will incur further costs if the Transaction is not successful (**Bidder Costs**).
- (c) The Target represents and warrants to the Bidder that:
 - (i) prior to entering into this Deed it has received legal advice on this Deed and the operation of this clause 5.1;
 - (ii) it has clear documentary evidence supporting the Target Board's detailed consideration of this Deed and this clause 5.1 in particular; and
 - (iii) it and the Target Board considers this clause to be fair and reasonable and that it is appropriate to agree to the terms in this clause 5.1 in order to secure the significant benefits to it, and Target Shareholders, resulting from the Transaction.
- (d) The Parties acknowledge that the amount of the Bidder Costs is inherently unascertainable and that, even after termination of this Deed, the Bidder Costs will not be able to be accurately ascertained. As a genuine and reasonable pre estimate of the costs that the Bidder will suffer if the Transaction does not proceed, the Parties agree that, for the purposes of this clause 5.1, the Bidder Costs will be equal to the amount of the Reimbursement Fee.
- (e) The Target agrees to pay the Reimbursement Fee to the Bidder if:
 - (i) the Target is in material breach of a Target Warranty or any other material obligation under this Deed and the relevant breach continues to exist 5 Business Days after the date on which notice of the breach is given;

- (iii) an event in paragraphs (b), (c), (h), (i) or (k) of the definition of Regulated Event occurs;
- (iv) the Target is in breach of its obligations under clause 4;

- (vi) at any time before the end of the Exclusivity Period, the Target Board (or any one or more members of the Target Board):
 - (A) changes or withdraws its (or their) recommendation that Target Shareholders accept the Offer in respect of all their Target Shares or makes a public statement indicating that it no longer supports the Offer; or;
 - (B) no longer intend to accept the Offer in respect of all of their Target Shares,

The demand may only be made after the occurrence of an event referred to in clause 5.1(e). The obligation to reimburse under this clause 5.2 cannot be triggered more than once.

5.3 Compliance with law

- (a) If any part of the Reimbursement Fee payable to the Bidder:
 - (i) is declared by the Takeovers Panel to constitute Unacceptable Circumstances; or
 - (ii) is determined to be unenforceable or unlawful by a court,

then, provided all proper avenues of appeal and review (judicial and otherwise) have been exhausted, the Target will not be obliged to pay such part of the Reimbursement Fee and, if such fee has already been paid, then the Bidder must within five Business Days after receiving written demand from the Target refund that part of the Reimbursement Fee. To avoid doubt, any part of the Reimbursement Fee that would not constitute Unacceptable Circumstances or that is not unenforceable or unlawful (as applicable) must be paid by the Target to the Bidder.

- (b) The Parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 5.3(a).

5.4 Relief

6 Target Reimbursement Fee

6.1 Target Reimbursement Fee

- (b) The fee payable under clause 6.1(e) has been calculated to reimburse the Target for the following:
 - (i) external advisory costs;
 - (ii) out of pocket expenses; and

- (c) The Bidder represents and warrants to the Target that:
 - (i) prior to entering into this Deed it has received legal advice on this Deed and the operation of this clause 6.1;

- (e) The Bidder agrees to pay the Reimbursement Fee to the Target if the Target validly terminates this Deed under clauses 10.3(a) or 10.3(d).

The demand may only be made after the occurrence of an event referred to in clause 6.1(e). The obligation to reimburse under this clause 6.2 cannot be triggered more than once.

6.3 Compliance with law

- (a) If any part of the Reimbursement Fee payable to the Target:
- (i) is declared by the Takeovers Panel to constitute Unacceptable Circumstances; or
 - (ii) is determined to be unenforceable or unlawful by a court,
- then, provided all proper avenues of appeal and review (judicial and otherwise) have been exhausted, the Bidder will not be obliged to pay such part of the Reimbursement Fee and, if such fee has already been paid, then the Target must within five Business Days after receiving written demand from the Bidder refund that part of the Reimbursement Fee. To avoid doubt, any part of the Reimbursement Fee that would not constitute Unacceptable Circumstances or that is not unenforceable or unlawful (as applicable) must be paid by the Bidder to the Target.
- (b) The Parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 6.3(a).
