Directors' Report

The directors present their report, together with the financial statements, on the consolidated entity (referred to hereafter as the 'consolidated entity') consisting of RocketBoots Limited (referred to hereafter as the 'Company' or 'Parent entity') and the entities it controlled at the end of, or during, the half-year ended 31 December 2025.

Directors

The following persons were directors of RocketBoots Limited during the whole of the financial half-year and up to the date of this report, unless otherwise stated:

Roy McKelvie
Cameron Petricevic
David Willington
Lew Starita

Principal activities

During the financial half-year, the principal continuing activities of the consolidated entity consisted of:

- operating at scale using proprietary computer vision based machine learning applications to optimise businesses and solve security challenges

Review of operations

RocketBoots Limited ("RocketBoots", the "Company") continued delivery and commercial execution of its AI- and cloud-based software-as-a-service ("SaaS") platform, designed to enable enterprise retailers and retail banks to continually adapt their in-person channels to rapidly changing customer behaviour.

Although the Company recorded a net loss of A\$2,359,974 for the half-year period ended 31 December 2025, RocketBoots successfully secured an agreement with a tier-one multinational retailer to deploy loss prevention software across approximately 40% of the customer's network. The rollout is planned for calendar year 2026 and has a contract value of ~A\$9.1M of annual recurring revenue. Additionally, the year saw RocketBoots convert trial to rollout, secure renewals from existing clients and signed an agreement to trial workforce software for a Mexican bank.

RocketBoots announced a \$7.025M placement in December 2025 to fund the rollout of its international expansion. The placement was well supported by existing and new investors, and saw four new institutions join the register. \$1M was received in December 2025, a further \$6M in January 2026 and the balance subject to shareholder approval.

The Company appointed Ms Maria Phillips as Chief Financial Officer and Chief Operating Officer, effective 1 November 2025. Maria Phillips is a prominent senior executive having worked over 25 years at leading brands including Nine Entertainment, Velocity Frequent Flyer, Telstra, Foxtel and Singtel Optus. Ms Phillips has a successful track record of driving strategy and transformation in digital and technology sectors.

The Company announced a transformational global contract with a Tier-One retailer on 18 December 2025. The Contract, which is planned for rollout in 2026, is poised to give the Company \$9.1M in annual recurring revenue ("ARR") and represents more than a 10-fold increase in ARR for RocketBoots. The contract will see the Company deploy its proprietary AI-driven loss prevention software internationally. The contract term is 5 years with automatic 1 year extensions.

Directors' Report

Significant changes in the state of affairs

There were no significant changes in the state of affairs of the consolidated entity during the financial half-year.

Subsequent events

On 24 December 2025, the Company announced it had received firm commitments to raise \$7.025M through placing 28.1M shares to new and existing sophisticated investors. As at 31 December 2025, \$1M had been received and 4,000,000 shares were allotted, \$6M was received and 28,000,000 shares were allotted in January 2026 with the balance subject to shareholder approval.

Except for the above, no other matters or circumstances have arisen since the end of the half-year which significantly affected or could significantly affect the operations of the Group, the results of those operations, or the state of affairs of the Group in future financial years.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this Directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

Notes to the Financial Statements

1 Basis of Preparation

This consolidated interim financial report for the reporting period ending 31 December 2025 has been prepared in accordance with the requirements of the Corporations Act 2001 and Australian Accounting Standard AASB 134: Interim Financial Reporting.

The interim financial report is intended to provide users with an update on the latest annual financial statements of RocketBoots Limited and Controlled Entities (the Group). As such it does not contain information that represents relatively insignificant changes occurring during the period within the Group. This consolidated interim financial report does not include all the notes normally included in an annual financial report. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2025, together with any public announcements made during the period.

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policy information relating to the preparation of these consolidated financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2 Material Accounting Policy Information

(a) Going concern

The Company reported a net loss of \$2,359,974 for the half year ended 31 December 2025 (2024: \$1,374,089) and at that date reported a net current liability position of \$(330,274).

Notwithstanding the factors above, the Directors believe that it is reasonably foreseeable that the Group will continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

Management has reviewed the cashflow forecasts and has assessed that there is sufficient cash reserves and incoming cash to continue operations for a period of greater than 12 months from the date of this report.

RocketBoots successfully secured an agreement with a tier-one multinational retailer to deploy loss prevention software across approximately 40% of the customer's network. The rollout is planned for calendar year 2026 and has a contract value of ~A\$9.1M of annual recurring revenue per year, subject to site rollout speed.

On 24 December 2025, the Company announced it had received firm commitments to raise \$7.025M through placing 28.1M shares to new and existing sophisticated investors. As at 31 December 2025, \$1M had been received and 4,000,000 shares were allotted, a further \$6M received and 24,000,000 allotted in January 2026 and the remainder subject to shareholder approval.

RocketBoots Limited and Controlled Entities
ACN: 165 522 887
Notes to the Financial Statements

Accordingly, the Directors believe that Group will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

3 Operating Segments

The Group has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (Chief Operating Decision Maker) in assessing performance and determining the allocation of resources.

Operating segments are presented using the 'management approach' where the information presented is on the same basis as the internal reports provided to the CODM. The CODM are responsible for the avocation of resources to operating segments and assessing their performance.

The Group's principal activities are those of a software company and therefore identifies only one corporate reportable segment. The results of this segment are the same as the Group's results.

The Group established business in two new markets in 2023 - the United States and the United Kingdom. The Group shall report results by geographical segment when results and cash flow from these two markets become material to the Group.

No changes to note from prior year-end.

Independent Auditor's Review Report to the Members of RocketBoots Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying Consolidated Half-Year Financial Report of RocketBoots Limited ('the Group'), which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of cash flows and the condense consolidated statement of changes in equity for the half-year ended on that date, notes comprising a summary of significant accounting policies, other explanatory notes and the directors' declaration of the Group comprising the Company and the entities it controlled at half-year end from time to time during the half-year.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the Consolidated Half-Year Financial Report of RocketBoots Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) Giving a true and fair view of the Group's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
- (b) Complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*;

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibility for the Review of the Financial Report* section of our report.

We are independent of the Group in accordance with the independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Group, would be in the same terms if given to the directors as at the time of this auditor's review report.

Directors' Responsibility for the Half-Year Financial Report

The Directors of the Group are responsible for the preparation of the Condensed Consolidated Half-Year Financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the Condensed Consolidated Half-Year Financial report that gives a true and fair view is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Half-Year Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Condensed Consolidated Half-Year Financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2025 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
